ITEM-201: (Continued)

**SUPPORTING INFORMATION:**

Sewer Group 751 is part of the City of San Diego's continuing Annual Sewer Main Replacement Program. This project is located in the Peninsula and Midway-Pacific Highway communities. This project includes the replacement of approximately 4,951 linear feet of existing 6 and 8-inch old and deteriorated sewer mains and sewer laterals with new 8 inch sewer mains. The streets affected by construction operations within this project are: Meadow Grove, Evergreen, North Evergreen, Madrid, Malaga, Locust, Shadowlawn, Ranleigh, Seville, Azalea, Wisteria Streets, Oleander Drive, and easements within Michaelmas, Rosecrans, Azalea and Hyacinth Drive as shown on the Location Map. Traffic control plans for Rosecrans have been prepared by the City's design consultant. Contractor will prepare traffic control plans for other streets (where needed) and will implement them during construction after review and approval by the City.

**FISCAL CONSIDERATIONS:**

The total estimated cost of this project is \$3,912,043. Funding is available in Sewer Fund 41506, CIP-44-001.0, Annual Allocation - Sewer Main Replacement for this purpose. This item provides full funding for Sewer Group 751.

**KEY STAKEHOLDERS & PROJECTED IMPACTS (if applicable):**

Residents in this area will encounter minor inconvenience during construction. After completion, residents will experience improved reliability of the sewage system.

ADOPTION AGENDA, DISCUSSION, OTHER LEGISLATIVE ITEMS (Continued)

RESOLUTIONS: (Continued)

ITEM-202: Business Improvement District Budgets for Fiscal Year 2007.

(Centre City, College Area, Greater North Park, La Jolla, Mid-City, Midway, Mission Beach, Ocean Beach, Old San Diego, Pacific Beach, San Ysidro, Southeast San Diego, and Uptown Community Areas. Districts 1, 2, 3, 4, 7, and 8.)

**STAFF'S RECOMMENDATION:**

Adopt the following resolutions:

Subitem-A: (R-2006-1050)

Accepting the Fiscal Year 2007 Budget Reports for the existing Business Improvement Districts.

Subitem-B: (R-2006-1051)

Resolution of Intention to levy and collect Annual Assessments from Businesses within the existing Business Improvement Districts for Fiscal Year 2007, and noticing the public hearing.

**STAFF SUPPORTING INFORMATION:**

Business Improvement Districts (BIDs) are authorized by State law to assess businesses for the cost of certain benefits that will benefit those businesses. The City created each of the BIDs by adopting an ordinance which details the street ranges to be included in the BID, the categorization of the types of businesses, and in some cases the size of the businesses as determined by the number of employees. The assessment levels, as determined by these factors, is also detailed in the ordinance.

Under State law the City Council must annually review and approve the proposed budget for the BID assessments. Additionally, the City Council must annually authorize the levying of the assessments as established in the respective ordinances and hold a noticed public hearing on the matter. Once approved the BID assessments are collected by the City Treasurer at the same time and in the same manner as the City's business tax. The City then contracts with non-profit business associations, whose membership includes the businesses in the respective districts, for management of the BIDs. The funds collected from each BID are accounted for separately in the City's accounting system.

ADOPTION AGENDA, DISCUSSION, OTHER LEGISLATIVE ITEMS (Continued)

RESOLUTIONS: (Continued)

ITEM-202: (Continued)

**STAFF SUPPORTING INFORMATION:** (Continued)

There are 18 active business (tenant-based) BIDs within the City: Adams Avenue, City Heights, College Area, Diamond, Downtown, El Cajon Boulevard Central, El Cajon Boulevard Gateway, Gaslamp, Hillcrest, La Jolla, Little Italy, Midway, Mission Hills, North Park, Ocean Beach, Old Town, Pacific Beach, and San Ysidro.

**FISCAL CONSIDERATIONS:**

Approximately \$1.3 million is collected annually by the City in BID assessments from approximately 12,000 businesses in the City's 18 BIDs. These funds are accounted for separately in the City's accounting system and are provided to the non-profit business associations under an operating agreement. Generally funds are remitted on a reimbursement basis to manage BID programs in the respective areas though working capital advances are permitted under certain circumstances. State law also provides that the budget shall identify any surplus or deficit revenue to be carried over from a previous fiscal year. These funds are identified in the budget as estimated unexpended assessments to be carried forward and estimated outstanding operating advances. In approving the budgets the City Council appropriates the assessments to be collected and the prior year surplus funds.

The City does not retain any of the assessments for administrative or other purposes. Therefore, there is a zero net fiscal impact of collecting and disbursing the assessments.

**PREVIOUS COUNCIL and/or COMMITTEE ACTION:**

This is an annual process so the previous Council action was taken in June and July of 2005 to approve the budgets, levy the annual assessments and execute the BID operating agreements with the respective non-profit business associations.

**COMMUNITY PARTICIPATION AND PUBLIC OUTREACH EFFORTS:**

Each BID holds regular meetings and publishes regular newsletters which are distributed to the businesses in the respective BIDs. Organizational budgets and work plans are developed by the respective boards and approved at the meetings.

**KEY STAKEHOLDERS AND PROJECTED IMPACTS:**

Businesses within the respective BIDs are the key stakeholders and beneficiaries of community improvements and business marketing and development. Residents and property owners may also benefit from public improvements and enhanced business services.

ITEM-203: Resolution on Pending State Legislation (AB 2987 Statewide Cable TV Franchise) and its Potential Significant Policy and Fiscal Impacts on Cities.

**INDEPENDENT BUDGET ANALYST'S RECOMMENDATION:**

Adopt the following resolution:

(R-2006-1098)

Urging the Legislature of the State of California to amend AB 2987.

**ADOPTION AGENDA, DISCUSSION, HEARINGS**

**NOTICED HEARINGS:**

**ITEM-204: Spruce Street Right-of-Way Vacation.**

The project proposes the vacation of an unimproved portion of Spruce Street right-of-way in the Uptown Community Plan area. The portion of the public right-of-way proposed to be vacated is 80 feet wide by 200 feet deep located between Falcon Street and Goldfinch Street.

**ZONE DESCRIPTIONS**

Below are brief descriptions of the current and proposed permitted uses of the above property. Full and complete information should be obtained by referring to the appropriate Municipal Code Sections.

The proposed right-of-way vacation is within the RS-1-7 Zone of the City of San Diego Land Development Code. The RS-1-7 Zone is a single-family designation which permits one dwelling unit on each legal lot regardless of the lot size. The proposed right-of-way vacation would not affect the permitted density of the neighborhood and no additional dwelling units could be developed as a result of the vacation action.

(Public R-O-W Vacation No. 45894/Project No. 19603. Uptown Community Plan Area. District 2.)

**STAFF'S RECOMMENDATION:**

Adopt the following resolution:

(R-2006-1005)

Adoption of a Resolution certifying findings with respect to Public-Right-of-Way Vacation Permit No. 45894;

Ordering vacated the undeveloped portion of the unimproved portion of Spruce Street located just west of Falcon Street and east of Goldfinch Street, as described in the legal description marked as Exhibit "A," and shown on Drawing No. 20212-B, marked as Exhibit "B," and on file in the Office of the City Clerk;

That the City Clerk shall cause a certified copy of this resolution, with attached exhibits, attested by her under seal, to be recorded in the Office of the County Recorder;

That this activity is exempt from CEQA pursuant to State CEQA Guidelines Section 15061(b)(3).

ADOPTION AGENDA, DISCUSSION, HEARINGS (Continued)

NOTICED HEARINGS: (Continued)

ITEM-204: (Continued)

**OTHER RECOMMENDATIONS:**

This request is for a Summary Street Vacation which does not require a Planning Commission recommendation pursuant to Municipal Code Section No. 125.0940.

The Uptown Planners Community Planning Group has recommended denial of this project.

**STAFF SUPPORTING INFORMATION:**

**PROJECT DESCRIPTION:**

The project proposes the vacation of an unimproved portion of the Spruce Street right-of-way, within the Uptown Community Plan Area. This Public Right-of-Way Vacation is being requested by the adjacent property owner at 3206 Falcon Street.

The right-of-way proposed for vacation is 80 feet wide and 200 feet in length and is located between Goldfinch Street and Falcon Street, west of Reynard Way. This section of right-of-way is currently unimproved except for an existing sewer line and overhead utility poles. Staff has concluded that the purpose and intent for which the public right-of-way was originally dedicated has not been met. The area to be vacated has never been utilized as a street and would not provide a logical connection to any other street. The portion of Spruce Street which is proposed to be vacated is impassable to pedestrian and vehicle traffic and does not provide access to any abutting properties or rights-of-way. General utility easements will be reserved to facilitate the existing sewer and power lines.

The proposed vacation meets all of the criteria that would allow a decision maker to affirm the required findings. The portion of the street proposed to be vacated does not provide access to any of the abutting properties and the adjacent hillside makes it unlikely that the street would be improved in the future to a degree that would facilitate vehicular access. The abutting property owners would benefit from the closure by regaining the vacated portion of the right-of-way for which they own the underlying fee title. The proposed vacation would not adversely affect the Uptown Plan and the proposed vacation would not affect existing access to properties.

**REGULATORY FRAMEWORK**

The Land Development Code establishes a process for approving applications to vacate public rights-of-way and includes the applicable findings that a decision maker must make to approve the requested vacation (Attachment 6).

ADOPTION AGENDA, DISCUSSION, HEARINGS (Continued)

## NOTICED HEARINGS: (Continued)

## ITEM-204: (Continued)

**STAFF SUPPORTING INFORMATION:** (Continued)

The findings generally establish that there is no present or prospective use for the right-of-way, either for the use for which it was intended, or a public use of a similar nature; that the public will benefit from the vacation by the improved use of the land; that the vacation will not adversely affect the applicable land use plan; and that the public facility for which the right-of-way was originally acquired will not be detrimentally affected by the vacation. As described in Section 125.0910(b) and 125.0940(c) of the Municipal Code, this section of right-of-way is eligible to be summarily vacated, therefore, a recommendation by the Planning Commission is not required.

**COMMUNITY PLAN:**

The subject site is designated for Low Density Residential and Open Space by the Uptown Community Plan. The Community Plan states that unimproved street right-of-ways should be vacated only when determined that the right-of-way will not be needed in the future for public access to individual parcels or to public open space, to provide public parking, to provide open space for public use, or to maintain views of open space from the public right-of-way (pg. 170). The area where the street vacation is proposed is unimproved (Appendix C, pg. 216). Staff has determined that the unimproved right-of-way cannot be used for the purposes listed above and has no views into designated Open Space. Therefore, the request for the street vacation at this site would not adversely affect the community plan.

**PLANNING COMMISSION RECOMMENDATION:**

The project is considered a summary vacation and therefore does not require a Planning Commission Recommendation.

**FISCAL CONSIDERATIONS:**

There is no fiscal impact. The project is processed through a fee paid for by the applicant.

**COMMUNITY PARTICIPATION AND PUBLIC OUTREACH EFFORTS:**

On September 3, 2002, a motion by the Uptown Community Planning Group to approve the proposed right-of-way vacation failed by a vote 6-9-0. No subsequent motion to deny the project was recorded.

**KEY STAKEHOLDERS AND PROJECTED IMPACTS:**

Stakeholders—Ms. Bernadette Minuto, Applicant (Attachment 4) and the three adjacent property owners listed below:

3174 Falcon Street:	John Destefano and Lara S. Spiegel.
3205 Goldfinch Street:	Mary Adamo, Dorothy Delesalas and Josephine Abrahamson.
3173 Goldfinch Street:	Ronald E. Colby Trust.
